## Invitation to be a Guest Speaker at 2020 Global Webinar on the Online Grooming: Current State and Responding Strategies

To NCMEC's CyberTipline team,

On behalf of the ECPAT Korea's 2020 Global Webinar on the Online Grooming: Current State and Responding Strategies, I am pleased to invite National Center for Missing and Exploited Children(NCMEC) to our event, which will be held on 15<sup>th</sup> December 2020. The topic area of this year's Webinar is online grooming, one of many forms of online child sexual exploitation.

We would be honored if you are able to provide your expertise as a speaker in *Session II: Responding to Online Grooming in USA*. We anticipate that you can provide your insights and experiences on the topic of the "Reporting system for online(ICT) service providers." For the presentation, you will have 40 minutes, and considering the time difference and technical issues, your lecture can be recorded in advance. The record of your presentation will not be used in any other event except for the 2020 Global Webinar.

We would like to hear your thoughts and opinion about this issue. Your remarks as speaker would set the tone perfectly for our Webinar, and your session will be held at 12:30-13:10 (KST)/22:30-23:10(EST), 15<sup>th</sup> December.

Your insights on the issue will significantly benefit all the participants. We hope that the topic of our Webinar fits your interest. The attachment is the tentative schedule and outline for the Webinar.

We look forward to your favorable reply.

Sincerely,

Sunhye Kang  
Manager
