

Support Child Victims of Online Sexual Exploitation

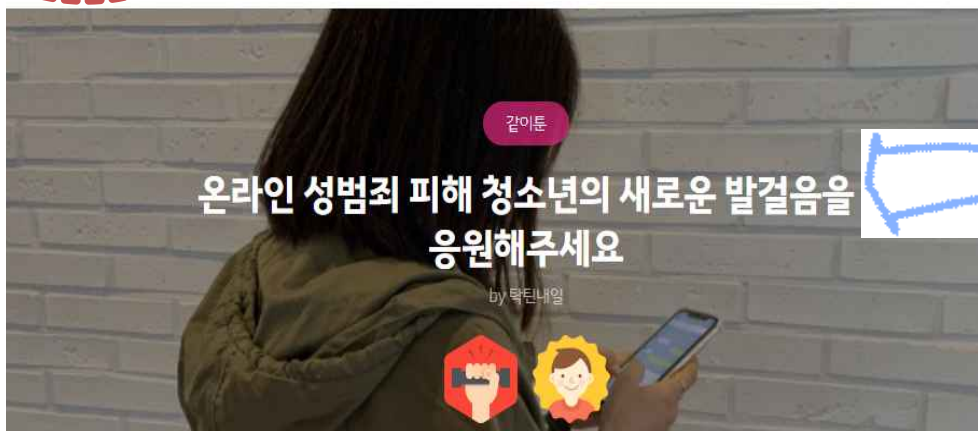

Nth Room, operated by "Baksa", distributed tons of abusive materials. **Numbers of children** were sexually exploited and abused by the **Nth Room**. Many of offenders are now under arrest, but **CSAMs** of victims are still out there. **Children are still suffering**.

However, children must move to a **brighter & new** life. We believe that they have **power** to do so for in all **children have growing capacity**. **And we are here to help**.

With "**Kakao-GachiGachi**" - Chat App **Kakaotalk**'s donation system,

ECPAT Korea has started a **Fund-raising Project for children** who survived **sexual exploitation or abuse**.
